Dear Prayer Partners

*“And with **great power** gave the apostles witness of the resurrection of the Lord Jesus: and **great grace** was upon them all.” Acts 4:33*

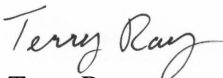

Praise the Lord for a great time of revival. I had the pleasure of helping this year at the Alabama Campaign, and was able to see many come to know Christ as their Saviour. We had over 150 volunteers split up into eleven different prisons, each prison varying in population from 288 – 1250. We spent three days in each and God gave the increase with 321 being saved. BLESS THE LORD!!!! I was able to talk to one man that told me he was 94 years old, I asked if he knew the Lord as his Saviour and he said *“I am a good man, I live right try to treat others right and according to your Bible I should be ok”*. I asked him again and this time he told me that Christ was a good man too, but just that. Another preacher and myself spent a long time with him but he would not realize and admit that he was lost and needed Jesus as his Saviour. He kept saying he hoped he made it. Please pray for this man that the tracts we left him will show his need for Christ.

As a reminder, I want to tell you again Bob Richards RYDC in Rome, GA, is a great door of opportunity and I could use help. If you know of someone in your church that needs a place to minister, please have them call me. We are seeing young people hunger for the Gospel and almost every week we get to lead someone to the Lord. Over the past two months the Lord has blessed with 5 young people being saved and many more helped with Christian growth. This YRDC is very open to someone coming and doing much more than I am able. *“Pray ye therefore the Lord of the harvest, that he will send forth labourers into **his** harvest” Mt 9:38.*

Also if you would like to help with the classes at the Dalton Youth Detention Center, “Elbert Shaw RYDC” it would be greatly appreciated. We already have a lesson plan approved by the director, each one is loaded with scripture and we just need people to help share the Gospel.

God has done great things in the schools this past year and I would like to just praise Him for that. As I set up in a classroom to start a prison prevention presentation, I lay Bibles and Gospel tracts in front of my display case. A few days ago I had just one class in a school, so I only took three Bibles with me. I was surprised at the interest in them and even had two kids fighting over one Bible. They worked it out with one of the kids saying, he already had a bible, and he just wanted a ROA Study Bible. I told him if he would write to me I would send him one for free.
